VehicleSmart®

YOUR GARAGE IN YOUR POCKET®

Most rated vehicle check app

Vehicle Smart is the most rated vehicle check app on Apple's App Store and the Google Play Store, with over 50,000 reviews and an average rating of 4.8 out of 5 stars. Vehicle owners, garages, fleet managers and many more use the mobile app to manage and check millions of UK vehicles every month. Founded in 2016 by entrepreneurs James English and Rob Wilson, Vehicle Smart was developed to improve vehicle background checks and vehicle management with clear design and a rich set of features.

Since being founded, Vehicle Smart has been downloaded over 1 million times across Apple and Android devices, and provides data for over 5 million vehicle searches every month.
